CBAI SCHOLARSHIP AWARD

The Bank of Farmington proudly congratulates Megan Russell from Illini Bluffs High School on winning 2nd place in our region for the CBAI Foundation for Community Banking Annual Scholarship Program! Her inspiring essay on how her local community bank has impacted her and her family truly stood out. Well done, Megan!

CANTON HIGH SCHOOL INCUBATOR

On Tuesday, May 6, 2025, Canton High School held its Incubator course pitch night. Three teams delivered such impressive presentations that, for the first time ever, the panel of judges selected all of them as winners—on the condition that each team moves forward with forming an LLC for their business. Great Job Teams!!
