## **NEW Branch Opening!** **2506 W. Rohmann Ave.** **West Peoria, IL 61604**

We are excited to announce the opening of our fifth full-service branch, now welcoming customers at 2506 W. Rohmann Avenue in West Peoria. This marks our second location in the Peoria market, with the new branch officially opening its doors on Monday, March 16, 2026.

Located at the corner of W. Rohmann Avenue and Sterling Avenue, this expansion builds on the strong foundation we established in the community. In August 2024, we introduced an Interactive Teller Machine (ITM) at this location, providing residents with convenient video access to a live banker—part of our ongoing commitment to blending personalized community banking with innovative technology.

The positive response to the ITM confirmed what we already believed: West Peoria values accessible, relationship-focused banking. Opening a full-service branch at this site was a natural next step and a reflection of our long-term investment in the Peoria community.

“West Peoria is a warm and welcoming community, brimming with pride, loyalty, and charm”, said Joseph L. Higgs, President & CEO. “It’s a place where families have lived for generations and where commitment to one another truly matters. That spirit aligns perfectly with who we are as a community bank.”

We look forward to continuing to serve and grow alongside our neighbors in West Peoria.
