

FACTS**WHAT DOES BANK OF FARMINGTON
DO WITH YOUR PERSONAL INFORMATION?**

Why?	Financial companies choose how they share your personal information. Federal law gives consumers the right to limit some but not all sharing. Federal law also requires us to tell you how we collect, share, and protect your personal information. Please read this notice carefully to understand what we do.
What?	The types of personal information we collect and share depend on the product or service you have with us. This information can include: • Social Security number and account balances • credit history and transaction or loss history • checking account information and account transactions
How?	All financial companies need to share customers' personal information to run their everyday business. In the section below, we list the reasons financial companies can share their customers' personal information; the reasons Bank of Farmington chooses to share; and whether you can limit this sharing.

What we do

How does Bank of Farmington protect my personal information?	To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.
How does Bank of Farmington collect my personal information?	We collect your personal information, for example, when you • open an account or deposit money • show your driver's license or apply for a loan • provide account information We also collect your personal information from others, such as credit bureaus, affiliates, or other companies.
Why can't I limit all sharing?	Federal law gives you the right to limit only • sharing for affiliates' everyday business purposes – information about your creditworthiness • affiliates from using your information to market to you • sharing for nonaffiliates to market to you State laws and individual companies may give you additional rights to limit sharing. See below for more on your rights under state law.
What happens when I limit sharing for an account I hold jointly with someone else?	Your choices will apply to everyone on your account.

Definitions

Affiliates	Companies related by common ownership or control. They can be financial and nonfinancial companies. • <i>Our affiliates include others, such as Farmington Bancorp and BF Investment Services powered by Legacy.</i>
Nonaffiliates	Companies not related by common ownership or control. They can be financial and nonfinancial companies. • <i>Bank of Farmington does not share with nonaffiliates so they can market to you.</i>
Joint marketing	A formal agreement between nonaffiliated financial companies that together market financial products or services to you. • <i>Bank of Farmington doesn't jointly market.</i>
